Limousine Expert Consulting Acquires a \$2,100.000.00 Million Dollars Corporate Account for A Los Angeles Limousine Company.

Fort Worth, Texas, October 8, 2013. Limousine Expert, a transportation consultant firm with 27 years industry experience has acquired a sizeable global contract with AEMCO, a Technology Corporation and global provider of professional technical and management support, for its customer Venue Transportation, A Limousine and Chauffeured Car Service based in Los Angeles, CA lead by its President and Founder Sam Ballout.

Venue Transportation is one the most unique transportation company. Venue's headquarters is Located on Sunset Boulevard, in the heart of Los Angeles, just a few blocks from the Beverly Hills hotel and some of the most prominent zip codes in North America.

The company provides unparallel customer services. Every customer has the water of their choice; vehicles have on-board ipads with their customers preferred newspapers. The attention to detail is so great that they keep records of the customer's favored satellite radio station and vehicle temperature. The company has the latest European Vehicles, including BMW 740i and the newest corporate Sprinter Vans, which proves once again that service and quality is the key to success.

This was an extensive bidding process handled by Carlson Wagonlit and CWT, two of the largest Business Travel Management Companies in the US, and the competition was fierce, said Bruno Teixeira.
